COMPUTER SONG ALBUM™

ON STAGE

You control computer-generated instrument sounds and special effects to...

ON THE ROAD AGAIN
EASE ON DOWN THE ROAD
RISE
DUELLING BANJOS

Plus four other chartbusters.

for the **COMMODORE 64** with disk drive.

SIGHT & SOUND Music Software, Inc.

We unleash the music in you.™

ON STAGE

lets you listen to the exciting hits of your favorite artists while you control computer-generated instrument sounds and special effects.

Title	Made Famous By
On The Road Again	**Willie Nelson**
Ease On Down The Road	**Movie: The Wiz**
Rise	**Herb Albert**
Duelling Banjos	**Movie: Deliverance**
Cantina Band	**Movie: Star Wars**
Entertainment Tonight	**TV Show: Entertainment Tonight**
Charlie's Angels	**TV Show: Charlie's Angels**
Far From Over	**Frank Stallone**

With On-Stage you can listen to computer-generated versions of your favorite hits. Complete with bass, rhythm, melody and harmony. And use an optional joystick to select and change the instrument sounds and special effects that play each part.

And all the time the songs are playing at any tempo you choose, you're watching exciting graphics of dancing notes.

By adding the Sight & Sound Music Processor, you can choose from even more instruments and electronic sound effects to play these hits. Or play along using your computer's keyboard.

Sight & Sound Computer Song Albums are also compatible with the Music Video Kit, that lets you create your own animated graphics.
